BANGALORE TOWN MUNICIPALITY.

Memo of propositions to be laid before the next ordinary meeting of the City Municipal Commission to be held at their Office premises (District Office buildings) on Saturday the 29th May 1886 at 7·30 A. M.

I. Cash account current, progress report of works, and mortuary returns for the month of April 1886.

II. Docket No. 19, dated 4th May 1886, from the Secretary to the Dewan, Legislative Department, forwarding for opinion of the Board a printed copy of the draft Regulation for the control of Hackney carriages in the City of Bangalore.

III. Letter dated 4th May 1886 received from the Executive Engineer, Palace Division, in reply to a reference made to him regarding a drain lately constructed by Mr. Walker in the Premises known as Tragedy Hall.

IV. Proposal to construct a store-room in the Municipal garden at the estimated cost of Rs. 300.

V. The draft agreement embodying conditions under which the contract is to be given to conserve houses in No. 6 Division for the current official year.

VI. Proceedings of the Dewan of Mysore sanctioning the inclusion of a part of the village of Gavipuram within the City Municipal limits.

A. SRINIVASACHARLU,
Vice-President.

KADUR DIVISION.

NOTIFICATIONS.

The 28th April 1886.

Tenders are hereby invited for restoring the Brahmasamudra anicut and channel, Kadur Taluk, for which an estimate for Rs. 11,058 has been sanctioned.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 25th May 1886.

4. The final acceptance of any tender will rest with the Secretary to the Government of Mysore, Public Works Department, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tender will be accepted unless accompanied by a deposit of Rs. 50 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicant in due course.

The 30th April 1886.

Tenders are hereby invited for completing Chikmagalur-Yedahalli road, for which an estimate has been sanctioned for Rs. 44,306, of which Rs. 28,093 have already been spent up to date.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 27th May 1886.

4. The final acceptance of any tender will rest with the Mysore Public Works Department Secretary, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tender will be received unless accompanied by a deposit of Rs. 50 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to the applicants in due course.

Tenders are hereby invited for improving the Madag tank and channels, Kadur Taluk, for which an estimate will be sanctioned for Rs. 11,000.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 27th May 1886.

4. The final acceptance of any tender will rest with the Mysore Government Public Works Department Secretary, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

5. No tender will be received unless accompanied by a deposit of Rs. 50 as earnest money.

6. Within eight days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to the applicants in due course.

The 3rd May 1886.

Tenders are hereby invited for repairing the Keresanti Doddakere tank, Kadur Taluk, for which a supplemental estimate for Rs. 2,160 has been sanctioned, the original estimate having already been given on petty contract.

2. The plans, estimates, schedule of rates and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 28th May 1886.

4. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tender will be received unless accompanied by a deposit of Rs. 2[illegible] as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicant in due course.

D. SITARAM RAO,
Executive Engineer.
